CELEBRATION OF INTERNATIONAL WOMEN'S DAY 2018

International Women's Day is celebrated each year on March 8. It is a day honouring the social, economic, cultural and political achievements of women around the world.

"If you want to achieve something in life, you have to take risks." With this quote of Dipa Karmakar, Olympic Gymnast

The "Women Development & Empowerment Cell" of ROFEL Shri G. M. Bilakhia College of Pharmacy, Vapi celebrated International Women's Day on 8th March, 2018. The theme of this year Women's day celebration was "Press for Progress". As quoted by Ms. Dipa Karmakar, to achieve progress women has to press herself and take calculated risks in life. Doing nothing won't give you fruits. Our celebration was doubled with the presence of Ms. Sonal Rajput, a lawyer by profession, practising law since 14 years in Mumbai and Gujarat. She has done her B. Com from ROFEL Arts and Commerce College, Vapi and LLB from K.L.M Law College, Valsad. She delivered a very informative speech on Gender equality. She also provided some useful information about governmental schemes and laws prevailing for women. She also narrated how Indian government is improvising gender equality with amendments in different procedures. Overall the talk was very informative for our students.
